In case we get press at the 4/9 Hunters Pt community mtg 6 pm, I'm resending the attached. I never got any comments on this draft, so I hope it's ok. Jackie & I will go. DTSC will attend, and Navy will have Public Affairs Officer. Suzanne has another press event that conflicts with 4/9 mtg, and Rusty's getting married.

I'm on annual lv Thurs afternoon w/my son at Davies Symphony Hall, so I'll probably meet you guys at the Hunters Pt. But if I get done in time & can come back to the office & pick you up, I'll call Jackie. Or if you want to take BART to Civic Ctr station around 5- 5:15 or so, we can leave from there. 7-4187 forwards to my cell. Or text me at (415) 947-4187. I can give anyone a ride back to BART after the mtg.

Subject: Draft Q&A's re Hunters Pt handling of radioactive waste

Attached are new Q&A's regarding the most recent incident relating to asphalt that was transported to Keller Canyon in February. IN addition, for reference I attach Q&A's from Nov 2014 regarding other issues. I will combine & update these next week in preparation for the 4/9 Navy led community mtg. But in the mean time I wanted to send you the draft regarding the new issue. Please give me your comments on the new Q&As so I can incorporate. Thanks!
